Hillsboro Public Safety to Host First Annual Rolling Video Game Event

On Saturday, November 19th, from 2-5 pm, Hillsboro Public Safety will host their first Annual Rolling Video game event for area children. This free event will be held in the parking area across from the Historic City Hall, 127 East Franklin Street.

The rolling game room allows up to 16 players to participate at once, and everything is linked so that 16 players can play the same game, or play against one another. The climate-controlled, customized, self-powered mobile video game theater is equipped with stadium seating. There are many games to choose from, including all the newer games from Wii, Playstation 3 and Xbox 360. A "Game Coach" will be on hand to help anyone who needs assistance. The game time will be structured so that everyone will be allowed the same amount of time to enjoy this fun-filled event. The Public Safety Department invites all area children to come out and enjoy this event, and remember- it is free of charge!

Daylight Savings Time Ends on Sunday, November 6th! Set your clocks back one hour.

Hill College Performing Arts Series

Changes in Auto Tint Laws

Many motorists may not be aware of the changes regarding automobile window tints in Texas. These changes became effective September 1, 2009.

Ask yourself:

- What are the actual state driving laws for after-market window tinting?
- Does my window require a window tint label?
- Are there any exemptions available, should a medical condition require that I place dark tint on my vehicle?

Find the answers to these questions, plus more useful information by visiting the Texas Department of Public Safety website:

<http://www.txdps.state.tx.us/vi/Misc/faq/tint.htm>

**November 11th is
VETERANS DAY**

Senior Citizens Thanksgiving Lunch

Saturday, November 12, 2011
