Celebrating Hillsboro's Treasure

"Celebrating Hillsboro's Treasure" was the theme for the 3rd Annual Hillsboro Historic Preservation Award Dinner held Thursday, May 5, 2011 at Historic City Hall. This annual event is held in conjunction with the National Preservation Month theme of "Celebrating America's Treasures" and activities which take place across the country in May of each year. This year the Hillsboro Preservation Commission and Awards Dinner Planning Committee asked the public for nominations in eight categories. Recipients were then selected by the Planning Committee. The Main Street Board co-hosted the event and presented the Main Street Award.

Mayor John Erwin read the Proclamation recognizing May as National Preservation Month. Dr. David Skelton served as emcee for the evening. Various Preservation Commission members introduced the categories, the recipients, and explained why they were chosen to receive the award. Deborah Buice,
