City Manager's Message

TO: Honorable Mayor and City Council
FROM: Megan Henderson, City Manager
DATE: August 24, 2021
SUBJECT: Submission of FY 2021-22 Proposed Budget

It is a privilege to offer this proposed budget for the City of Hillsboro, Fiscal Year 2021-22. Much of the previous two years has been spent responding to the challenges of the COVID-19 Pandemic and the unusual freeze of 2021, and although the pandemic is resurging, the Hillsboro city staff are confident in the future and grateful for the opportunity to serve.

We anticipate major efforts in the coming year in areas prioritized by the City Council and our citizens, including

- Street Improvement and Repair
- Water and Wastewater Improvements
- Economic Development, both Industrial and Downtown
- Community Beautification and Code Enforcement
- Strategic planning

COVID-19 Pandemic

Recovery from the economic challenges caused by the COVID-19 Pandemic is underway, but part of our challenge this year will be to replenish reserves that were depleted in 2019 and 2020. Also depleted over that difficult period were the energy and stamina of our employees. Workers in all departments maintained vital functions while shorthanded due both to quarantined colleagues and frozen positions due to budget shortages. We must recognize that fatigue and care for our employees' ability to recover; this protects their ability to serve our community over the long term. Bolstered by COVID-19 relief dollars, we budget this year with the aim to both strengthen our infrastructure and support our employees.

Property Tax Rate

Historically property taxes are thought of as the main way to support the public services provided by the City. Over time, other sources of revenue have increased and property taxes, as a percentage, have decreased, but this revenue stream continues to be absolutely vital. Over the past two fiscal years, especially, property taxes

have been stable when the pandemic had a disastrous effect on sales tax, hotel occupancy tax, fines and forfeitures.

The amount of property taxes that citizens have to pay to support the public services provided by the City of Hillsboro is a key point of interest to all citizens in our community. The following points provide some key information about the City's property taxes:

- The property tax rate for the City of Hillsboro is \$0.806400 per \$100 of property value for the 2020-21 fiscal year. This rate, which has been unchanged for six years, is the lowest rate since 2009.
- Two factors combine together to establish the amount in property taxes that are paid each year by the citizens of Hillsboro. The amount of property tax a person has to pay is determined by multiplying the appraised value of property owned by that person by the property tax rate. The appraised value of property is established by the Hill County Appraisal District. The property tax rate is established by the City of Hillsboro. The amount of property tax a person pays may go up or down depending on whether the value of their property is increasing or decreasing and whether the tax rate is increasing, decreasing, or staying the same. In recent years in Hillsboro, even though the property tax rate has stayed the same or decreased a small amount, many people have paid an increasing amount in property taxes because the market value of the property they own has increased.
- The property tax rate is divided into two parts. The first part is used to cover debt service requirements secured by property tax revenues. The second part is used to help pay for maintenance and operation of the public services provided by the City of Hillsboro. Of the total property tax rate of \$0.806400 per \$100 of valuation for the 2021-22 fiscal year, \$0.15930 is dedicated to payment of debt on bonds that have been issued by the City and \$0.64710 is for general maintenance and operations.
- Property tax revenue helps fund many of the basic services provided for the citizens of Hillsboro including Police, Fire, Emergency Medical Services, Street Maintenance, Parks Maintenance, Library, and the administrative services that support these services.

Budget Development and Philosophy

The annual operating budget is where the priorities and goals for Hillsboro's development, set by the City Council, become specific tasks for specific people. If there isn't enough revenue to support the people and fulfill the tasks, the goals and priorities can't be met. Overcoming the financial hardships of the pandemic, while still fighting the ongoing pandemic, will be challenging in the coming year; however, we still intend to direct the resources of the City in such a way as to move forward on important goals set by the Council.

The City Council has held workshop meetings over the past few years for the purpose of discussing needs in the community and setting goals to address these needs. These meetings have been open to the public. From the discussions in these workshop meetings the City Council has established the following goals and priorities:

1. **Street Improvements.** Street improvements are sorely needed. The City's streets have been inadequately maintained and many are now beyond repair and require complete replacement. This issue is a top priority both for the Council and citizens. Last year street funding was cut even further due to the pandemic. The 2021-22 budget increases funding for street improvements both in

personnel and in materials, and we anticipate using bond proceeds to contract for larger street improvement projects.

2. **Water and Wastewater Infrastructure.** While not as visible as streets, water and wastewater lines have suffered the same pattern of inadequate maintenance over the decades since their construction. The freeze of early 2021 highlighted the fragility of these systems as numerous water breaks with inadequate valve controls caused much of the city to be without water and undergo repeated boil water notices. Needed improvements to these systems will be made in tandem with street improvements to help manage costs and to ensure that newly-improved streets be disrupted for utility work as little as possible. The City expects to issue revenue bonds this year to assist with this work, which will also be bolstered by COVID-relief dollars.
3. **Economic Development.** Three different departments of the City work on different facets of economic development in Hillsboro.
 - Industrial development, made up of recruitment of new industrial firms and retention and expansion of existing firms, is the purview of the Hillsboro Economic Development Corporation and EDC Director. This work is funded by a dedicated portion of our sales tax, which can only be used for industrial development. This shows up in the budget as a separate fund, which is administered by the Director and overseen by the EDC Board.
 - The Main Street Office addresses downtown development and re-development. Downtown Hillsboro has continued to grow stronger and to add businesses even through the pandemic, and Main Street supports this growth using the Texas Main Street's four-point approach: design, organization, promotion and economic vitality. The Main Street Manager reports both to the City Manager and to a Main Street Board of Directors, which sets goals for the organization. In the coming fiscal year Main Street will grow its impact by activating and empowering committees dedicated to each of the four points.
 - The City of Hillsboro's Community Development Department addresses the retail and service components of economic development along with re-development issues.

With these and other staff and resources in place, Hillsboro has been able to work well with existing and prospective new businesses to grow our economy and offer opportunities to our citizens for employment and commerce. The 2021-22 budget continues this work.

4. **Community Appearance.** This issue is a significant one for Hillsboro. It encompasses a wide range of items including high grass and weeds on various properties, removal of dilapidated structures, junk vehicles, accumulation of unsightly items on property, mowing rights-of-way, taking care of grass and weeds on sidewalks and in alleys in the downtown area, and landscaping in public areas. This budget puts funding in place to continue these efforts.

In addition to addressing the goals and priorities that the City Council has established for the community, the budget has been developed based on the following principles:

1. **Balanced General Operating Fund.** Expenditures do not exceed revenues.
2. **No Increase to the Tax Rate.** The total property tax rate remains the same at \$0.806400 per \$100 of valuation. This rate is the same as it has been since 2015 and less than it was from 2008 to 2014.

3. **Sustainability.** The budget does not use one-time revenues to meet recurring annual expenditures. Additional funding from recurring annual revenues is assigned to efforts to maintain the City's aging infrastructure to sustain the presence of this important and necessary resource for the community.
4. **Stewardship.** The City Council and staff recognize that we are the stewards of the taxes and fees that are paid by the citizens to provide public services for the community. It is our job to see that these funds are spent wisely and carefully to provide needed and desired public services in the community.

Funds

The 2021-22 budget is designed to address the goals and priorities established by the City Council and to sustain the services provided by the City while staying within the budgeting philosophies outlined above. The budget is divided into funds to comply with good accounting practices and, in some cases, legal requirements. The two largest funds in the City's budget are the General Fund and the Water and Wastewater Fund. These two funds account for approximately 85 percent of the City's total budget. Summaries of these funds are as follows:

General Fund: The General Fund is used to budget expenditures for components of the City's general government functions. These operations may generate some revenue, but they do not operate on a fee-for-service model. Instead, the General Fund is supported primarily by property tax and sales tax revenues along with a variety of fees charged for various services. The General Fund budget lays out how those tax and fee revenues will be spent to achieve the goals of the City Council by including funding for street improvements, economic and downtown development, community appearance issues, and supporting the Recreation Division's efforts to provide activities for citizens to engage in. The General Fund is also the source of funding for many of the basic services provided for the citizens of Hillsboro including Police, Fire, Emergency Medical Services, Street Maintenance, Parks Maintenance, Library, and the administrative services that support these services.

Property tax revenue is budgeted for \$3,475,000, which is a \$50,000 increase in FY 2021-22, or a 1.46 percent increase over last year. This increase is due to an increase in appraised values.

The total sales tax rate for the City of Hillsboro is .0825, which is broken down as follows:

- State Sales Tax .06250
- Hillsboro City Tax .01500
- Hill County Tax .00500

The Hillsboro City Sales Tax is broken down as follows:

- Economic/Industrial Development Type A .001250
- Property Tax Relief .003750
- Regular Rate .010000

Sales Tax revenue experienced a sharp decline during the pandemic and has grown significantly since then. The 2021-22 budget forecasts an increase of \$636,800 from the amount budgeted for last year.

Water and Wastewater Fund: The Water and Wastewater Fund is used to budget expenditures for operations in water distribution, wastewater collection, wastewater treatment, and utility billing. This fund is supported almost completely by revenues from fees charged for water service and sewer service. Revenues from water and sewer sales are projected to increase approximately \$339,685 or 8.26% in FY 2021-22 compared to the FY 2020-21 budget.

Condition of Local Economy

The City's two largest sources of revenue are property tax revenue and sales tax revenue. These two sources make up approximately 81.5 percent of the General Fund budget and approximately one-third of the total budget of the City. Both of these sources of revenue are sensitive to changes in the local economy. The following charts illustrate the property tax base and sales tax revenue over the past decade.

These two sources of revenue provide good insight into the health of the local economy. Property Tax revenue continues on an upward trend, with slower growth in the pandemic year. Sales Tax revenue was significantly impacted significantly by the pandemic, but has rebounded aggressively. These two positive trends create good confidence in Hillsboro's growth and development. It is important to continue with the different economic development programs supported by the City as a way of sustaining and growing the local economy.

Conclusion

In the FY 2021-22 budget, City leadership renews its commitment to maintaining and improving established priority programs: economic development, community beautification, quality-of-life facilities and activities such as the City Library, Parks, Recreation, and Airport, and Public Safety. In addition, we add significant

resources to street improvements and improvements to our water distribution and wastewater collection systems, bolstered by certificates of obligation, Federal funding, and grant funds from four different programs.

We are committed to bringing all resources possible to the table to improve our infrastructure, and recognize that city employees are our most important resource.

I am grateful for the Council's leadership, clarity of purpose and priorities, and commitment to serving our community. That is the foundation that allows all of us at the City the confidence to use the creativity and diligence we will need to serve Hillsboro into the future.

Sincerely,

Megan Henderson

THE CITY ORGANIZATION

The City of Hillsboro is a home rule City which operates under a Council-Manager form of government. All powers of the City shall be vested in the elective Council which enacts local legislation, adopts budgets, determines policies and employs the City Manager. The City Council consists of a Mayor and six council members with the appointment of a Mayor Pro Tem. The City Manager shall execute the laws and administer the government of the City.

The City government provides a broad range of goods and services to its citizens. The activities and personnel required to provide these goods and services are organized into broad managerial areas called Funds. Funds are separate fiscal and accounting entities with their own resources and budgets necessary to carry on specific activities and attain certain objectives.

Funds are further organized into functional groups called Departments. A Department is a group of related activities aimed at accomplishing a major City service or program (e.g. Police Department). A Department may be divided into smaller areas called Divisions. Divisions perform specific functions within the Department (e.g. Animal Control is a Division of the Police Department).

At the head of each Department is a Director who is an officer of the City. Directors have supervision and control of a Department and the Division within it, but are subject to supervision and control of the City Manager. A Department head may supervise more than one Department.

THE BUDGET PROCESS

The City Charter establishes the fiscal year, which begins the first day of October and ends on the last day of September each calendar year. Such fiscal year shall constitute the budget and accounting year. In order to have an adopted budget in place by the first day in October, the budget process must begin months before. Department Heads receive budget documents from the Finance Department. These documents contain information about the Department including historical expenditure amounts, current expenditure and budget amounts.

After receiving the budget request from the Departments, the City Manager, Assistant City Manager and Finance Director conduct a series of meetings with the individual Department Heads to review and discuss their budget requests. These meetings assist the City Manager to formulate his priorities.

The budget calendar that follows outlines the adoption process.

Hillsboro TEXAS

WATER/WASTEWATER FUND

The Water and Sewer Fund is the City of Hillsboro's second largest fund. This fund is expected to receive and disburse \$7,529,245 in the 2021-22 fiscal year in support of the operations and maintenance of the water distribution system, wastewater collection system, wastewater treatment, and the utility billing office. Revenues come from payment by citizens for water and sewer services each month.

AIRPORT FUND

The Airport Fund supports operations at the Hillsboro Airport with revenues from hangar rentals, ground leases, fuel sales, and grants that are disbursed to support operations and maintenance at the Airport. The Airport has 17 public and private hangar spaces. Ground leases are also available. The runway is 4,000 feet long and 60 feet wide. There are approximately 200 to 225 take-offs and landings monthly.

ECONOMIC DEVELOPMENT FUND

The Economic Development Fund is funded by three-eighths of one cent of the City of Hillsboro's sales tax. This fund supports the efforts of the Hillsboro Economic Development Corporation to attract and retain industries, manufacturing businesses, warehouses, and similar businesses to Hillsboro. The Economic Development Corporation is governed by a seven-member board, with members appointed by the Council.

MAIN STREET FUND

The Main Street Fund supports the operations of the City of Hillsboro's Main Street Office to develop and improve the downtown area of Hillsboro. It is expected that \$98,840 will be received and disbursed in this fund in the 2021-22 fiscal year. The Main Street Program is charged with the revitalization of historic downtown through beautification, promotion, business recruitment, and retaining existing businesses. These goals are achieved through events, advertising, and time invested in reaching current and future business owners.

Hillsboro **TEXAS**

HOTEL/MOTEL FUND

The Hotel Motel Fund funds visitor development operations that support the development of Hillsboro by attracting tourists and visitors to hotels and motels in Hillsboro for overnight stays. This fund supports groups and organizations in the community that contribute to this effort, including the Chamber of Commerce and the Main Street Office.
